#### ***35 U.S.C. 112, second paragraph***

Claims 14, 19, 24 and 72 are rejected as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Claim 14 is rejected for having two periods. Accordingly, Applicant has removed the first period after the recitation of the term “viral infection” and added a comma.

Claim 19 is rejected for having two periods. Accordingly, Applicant has removed the first period after the recitation of term “viral infection” and added a comma.

Claim 24 is rejected for having two periods. Accordingly, Applicant has removed the first period after the recitation of the term “NO:2” and added a comma.

Claim 72 is rejected for the misspelling of the word “of” in line 3 of section (A). Accordingly, Applicant has corrected these misspellings.

Claim 26 is rejected for depending from a rejected claim. Applicant has amended claim 24 from which claim 26 depends, thereby obviating this rejection.

In light of these claim amendments, Applicant respectfully requests reconsideration and withdrawal of the instant rejections.
